LEON LEIDEN

LEON LEIDEN

At 21 years old, the mexican-german producer, Leon Leiden has developed a unique and characteristic sound of itself, incorporating a remarkable fusion of acoustic and electronic elements.

Leon Leiden brings to life the combination of music producer, singer/songwriter and instrumentalist. His constant exploration of the most unusual objects as musical instruments has lead him to develop a unique urban and latin sound, which constantly mixes with new and adventurous styles.

His sets have great contrast with a series of euphoric and emotional moments, with a great dynamism and variety of genres and new musical elements.

More than 3 million reproductions accumulated on different digital platforms, as well as collaborations with different artists and official remixes with record labels like SonyMusic, confirming the talent of this young producer.

2020 has been a year filled with new music for Leon Leiden and shows having performed on EDC Mexico's main stage, releasing Flip and Roll, MOCA and Gitana, which already has more than 400,000 streams on Spotify-

He has been blowing up all over social media like Tik Tok, reaching 2 million followers and on Youtube with his new take on music and positioning himself on the trending chart on YouTube with his song "Vente" reaching more than 400k plays in 10 days and one week later with the single "La Habanera" with 100k plays in 3 days.

This year, Leon Leiden will continue releasing brand new music and will release his first LP, showing of his unique style and talent.
